

Dear Mr. Hartmut,

First of all a blessed day today. I would like to tell you thank you so much for giving us again a big blessing in my family. I already receive the money you send to us. It is a very big help to me and my children specially for the needs of them. This money you entrust to me I'll use it wisely. First I plan to put a small grocery store at the front of my house, so that we can have incomes in daily needs. Then the remaining amount I plan to put it in a bank for emergency needs. Sir Hartmut thank for being a part of our journey in life. As I've said the last time you are a blessing in disguise, you are one of the persons that send to us. Even if we didn't know each other but still you help us. You have a big heart to the people like us. When my husband gone I thought I cannot carry the burden but God didn't let go of me. He always send persons to be my guide so that I can stand. First thing I do when I receive the money you send to us, we go to the church and pray for blessings we receive and then I treat my children a milked cause they ask it. Then Monday afternoon we go to cemetery to visit their father. And then when we are finish we go to carbon market to have dinner. We eat tuslod buwa. Again thank you so much it will not happen without your help. May the Lord God bless you always and your family. And protect and give you good health.

Sincerely Yours,
